
A Swarm application: enterprise simulation

jES, java Enterprise Simulator

With **jES** we can simulate:

- actual enterprises
- virtual enterprises

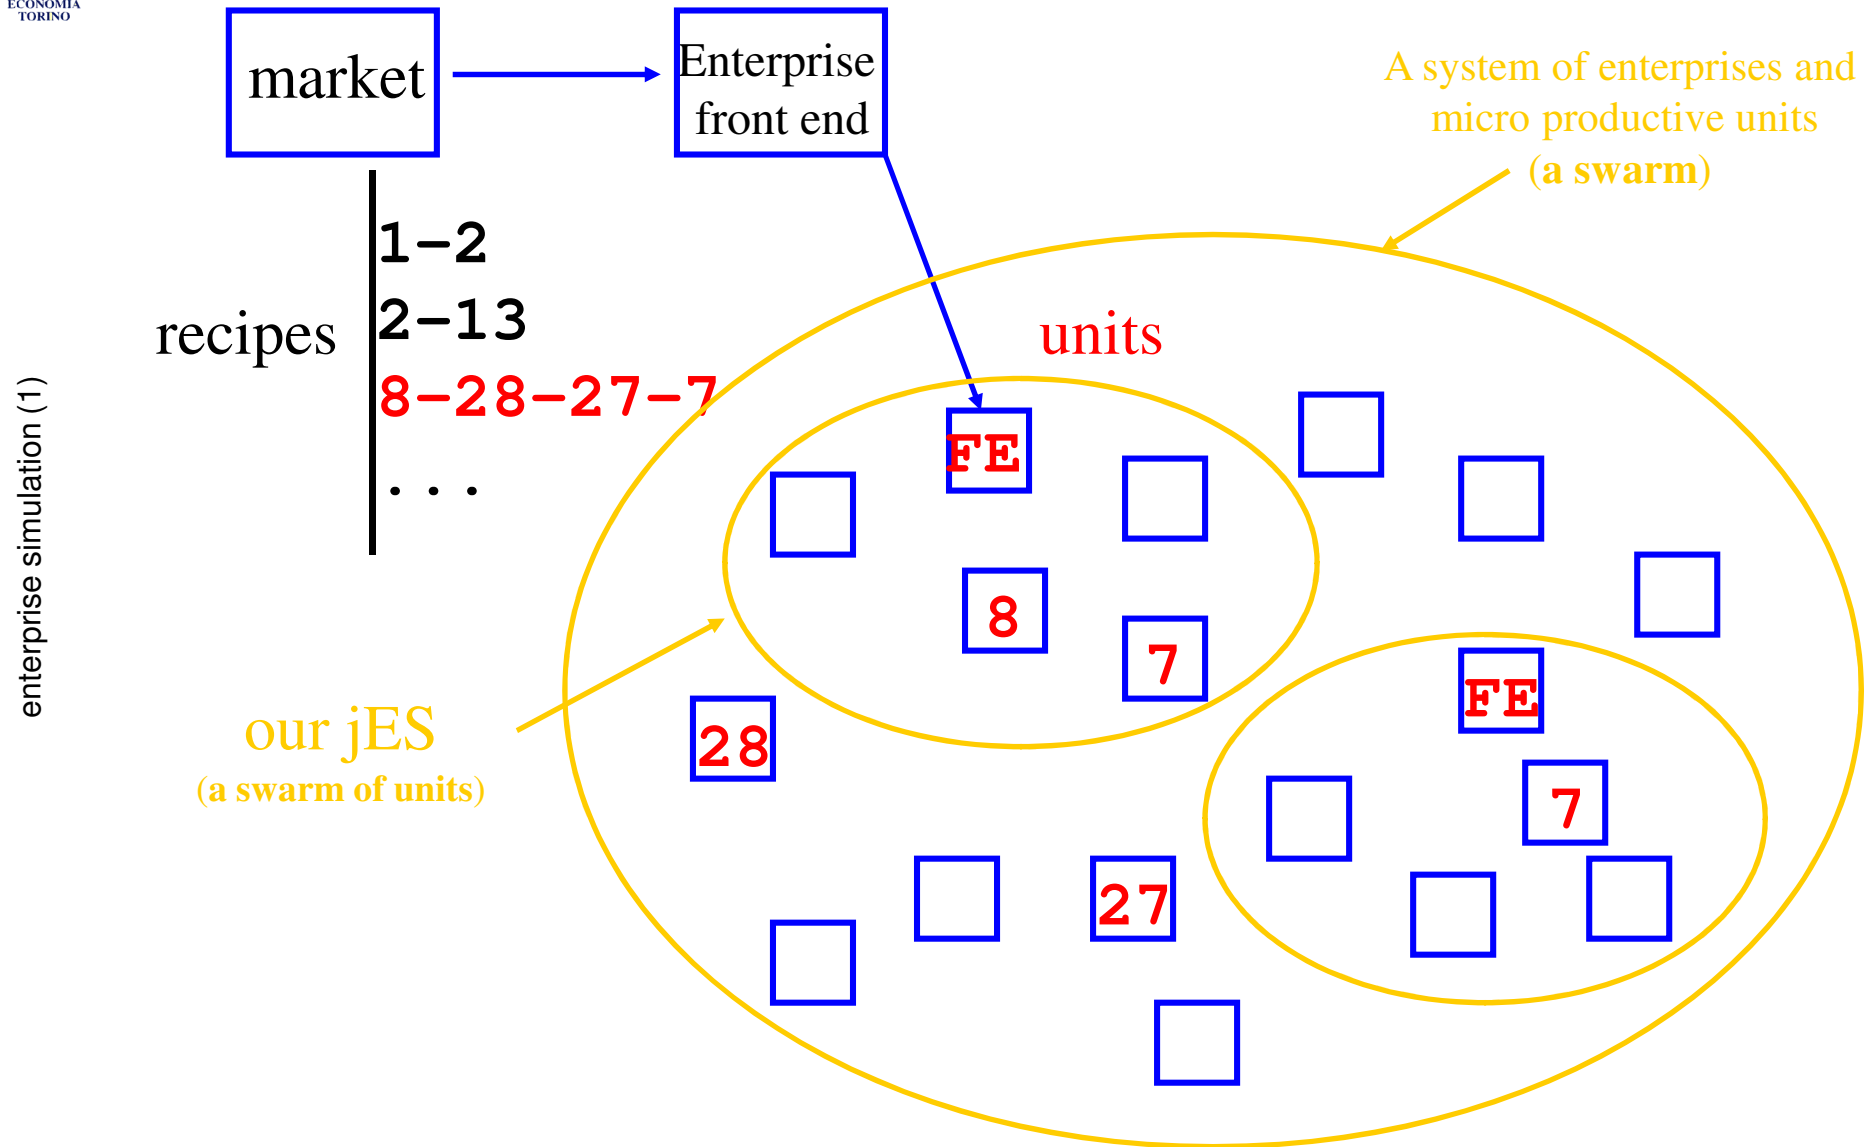

Enterprise Simulator

www.flightgear.org

For jES and jES Open Foundation look at <http://web.econ.unito.it/terna/jes/>

Recipes and production units

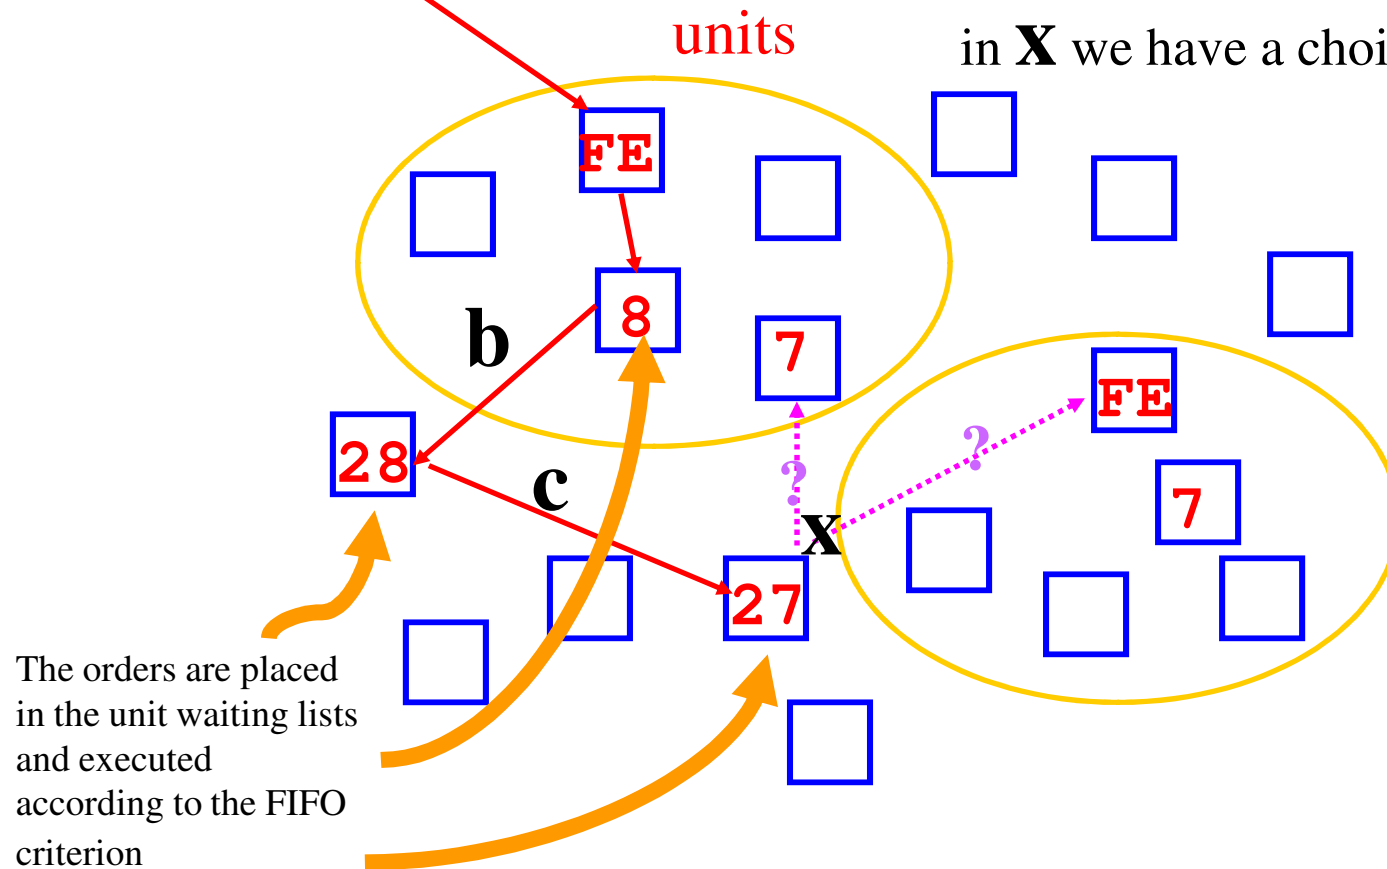

Recipes on move

8-28-27-7

we have the phases **a**, **b**, **c**, then
in **X** we have a choice problem

enterprise simulation (2)

The orders are placed
in the unit waiting lists
and executed
according to the FIFO
criterion
